6. Business results

The interim (consolidated) financial position and the interim (consolidated) business results for the six-month period ended 30th June 2026 of the Group are expressed in the interim (consolidated) financial statements attached to this report from page 10 to page 48.

7. Subsequent events

- On 30th June 2026, the Group and Thien Hoang Holdings JSC (hereinafter referred to as "Thien Hoang Holdings") signed the Receivables Transfer and Debt Collection Right Contract No. 74/2026/HĐCN/VKC-TH. Accordingly, the Group will transfer the principal balance (as at 31st December 2025) of its receivables and debt collection rights to Thien Hoang Holdings. The total transfer value equals the carrying amount of the transferred receivables as at 31st December 2025, amounting to VND 201,048,675,966. As at 30th June 2026, the Group and Thien Hoang Holdings have not officially completed the handover procedures for these receivables and debt collection rights.
- On 08th July 2026, the Group and Thien Hoang Holdings signed the Transfer of Debt Obligations and Payment Execution Contract No. 78/2026/HĐCGNV/VKC-TH. Accordingly, the Group will transfer its obligations to pay debts owed to banks, credit institutions, organizations, and individuals to Thien Hoang Holdings. The total transfer value equals the carrying amount of the transferred liabilities as at 30th June 2026, amounting to VND 237,202,287,962.

Other than the events mentioned above, in the opinion of the General Director, the Group's the interim (consolidated) financial statements for the six-month period ended 30th June 2026 would not be seriously affected by any important items, transactions, or any extraordinary events from 30th June 2026 to the date of this Report, which would require any adjustments to the figures or disclosures in the interim (consolidated) financial statements.

8. Auditors

VIETVALUES Audit and Consulting Co., Ltd. has been assigned to perform the review on the Group's interim (consolidated) Financial Statements for the six-month period ended 30th June 2026.

9. Responsibility of the General Director

The General Director of the Group is responsible for the preparation of the interim (consolidated) financial statements to give a true and fair view on the financial position, the business results and the cash flows of the Group for the period. In order to prepare these interim (consolidated) financial statements, the General Director must:

- Select appropriate accounting policies and apply them consistently;
- Make judgments and estimates reasonably and prudently;
- Announce the accounting standards to be followed for the material issues to be disclosed and explained in the interim (consolidated) financial statements;
- Prepare the interim (consolidated) financial statements of the Group on the basis of the going-concern assumption except for the cases that the going-concern assumption is considered inappropriate;
- Design and implementation of internal control systems effectively for the purpose of preparing and presenting the interim (consolidated) financial statements reasonably in order to minimize risk and fraud.

The General Director ensures that all the relevant accounting books have been fully recorded and can fairly reflect the financial position of the Group at any time, and that all accounting books have been prepared in compliance with the adopted accounting regime. The General Director of the Group is also responsible for protecting the Group's assets and consequently has taken appropriate measures to prevent and detect frauds and legal regulations related to the preparation and fair presentation of the interim (consolidated) financial statements.

The General Director hereby ensures to comply with all the requirements above in the preparation of the interim (consolidated) financial statements.

10. Approving the interim (consolidated) financial statements

I, the General Director of the Group confirms that all the accompanying interim (consolidated) financial statements. The (consolidated) financial statements have been properly prepared and have given a true and fair view on the financial position as at 30th June 2026, the business results and the cash flows for the six-month period then ended, in compliance with the prevailing Vietnamese accounting system and standards as well as legal regulations related to the preparation and presentation of the interim (consolidated) financial statements.

Ho Chi Minh city, ...28... August 2026

Mr. PHAM HOANG PHONG
General Director

REVIEW REPORTS ON INTERIM (CONSOLIDATED) FINANCIAL INFORMATION

**To: SHAREHOLDERS, THE BOARD OF MANAGEMENT AND
THE GENERAL DIRECTOR**

VKC HOLDINGS JOINT STOCK COMPANY

We have reviewed the accompanying interim (consolidated) financial statements of parent company is VKC Holdings Joint Stock Company and 02 subsidiaries (hereafter referred to as "the Group"), prepared on ~~28~~ August 2026 (from page 10 to page 46) which comprise the interim (consolidated) Statement of Financial Position as at 30th June 2026, the interim (consolidated) Income Statement, the interim (consolidated) Cash Flows Statement and the selected Notes to the (consolidated) Financial Statements for the six-month period then ended.

The General Director's responsibility

The General Director of the Group is responsible for the preparation and fair presentation of these interim (consolidated) financial statements in accordance with the accounting standards, Vietnamese enterprises' accounting regime as well as legal regulations related to the preparation and presentation of the interim (consolidated) financial statements and for such internal control as the General Director determines is necessary to enable the preparation and presentation of the interim (consolidated) financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express a conclusion on these interim (consolidated) financial statements based on our review. We conducted our review in accordance with the Vietnamese Standards on Auditing. Because of the matters described in the "Basis for Disclaimer of Conclusion" paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for a conclusion on these interim (consolidated) financial statements.

Basis for Disclaimer of Conclusion

- As at the Notes No. V.2, V.3, V.4, V.5 and V.11 to the accompanying (consolidated) financial statements, the Group has not yet assessed the recoverability of receivables as at 30th June 2026 and made provision for doubtful debts (if any). Besides, we have not yet been able to obtain a fully confirmation letter via direct response to the auditor. Owing to the nature of the Group's records, we were unable to obtain the sufficient and appropriate audit evidences to assess the recoverability of the above receivables and the existence of the above balances by other alternative audit procedures. Details are as follows:

No.	Items	Notes	Value has not been confirmed (VND)	Value has not been assessed for recoverability (VND)
1	Short-term held-to-maturity investments	V.2	2,590,000,000	2,590,000,000
2	Short-term trade receivables	V.3	26,486,977,457	11,957,674,534
3	Short-term advance payments to suppliers	V.4	11,145,043,007	3,695,000,000
4	Other short-term receivables	V.5a	165,439,638,417	165,439,638,417
5	Other long-term receivables	V.5b	5,924,680,000	5,924,680,000
6	Investments in other entities	V.11	36,000,000,000	-

- As at the Notes No. V.13, V.14 and V.18 to the (consolidated) financial statements we have not yet been able to obtain a fully confirmation letter as at 30th June 2026 via direct response to the auditor for short-term trade payables with amount of VND 6,532,532,380; Short-term advance payments from customers with amount of VND 157,247,481 and Short-term loans and finance lease liabilities with amount of VND 349,337,322,474. We were unable to obtain the sufficient and appropriate audit evidences to assess the existence of the above balances by other alternative audit procedures.
- As at the Notes No. V.18 – Short-term and long-term finance lease loans and liabilities, describing the cash outflow from the bond issuance not comply with the purpose of the Resolution of the Board of Management No. 211/2021/NQ-HĐQT dated 02nd December 2021 but it's not in accordance with the Information Disclosure dated 02nd December 2021 (acquired the entire paid-in capital in Toccoo Vietnam Co., Ltd. which is owned by Louis Land JSC (equivalent to 85%)) with amount of VND 80,800,000,000; The improper purpose-spending of the Resolution of the Board of Management No. 211/2021/NQ-HĐQT dated 02nd December 2021 and the Information Disclosure dated 02nd December 2021 with amount of VND 34,937,668,136. In addition, the Group has used part of the proceeds from bond issuance to make the advance deposits of VND 98,750,000,000 to purchase shares of Toccoo Vietnam Co., Ltd. However, according to the Notes No. V.6 – Other short-term and long-term receivables, up to now, the payment of bond principal and interest have expired, but the Group has not completed the procedures for transferring shares of Toccoo Vietnam Co., Ltd. from parties who have received the advance deposits.

At the same time, the description paragraph of An Giang Import-Export JSC has used the property as land-use right and ownership of houses and other land-attached assets under the Certificate No. BR626016 located in Nui Sap town, Thoai Son district, An Giang province (currently Nui Sap town, Thoai Son commune, An Giang province) to secure the issuance of the Group's bonds (according to the Resolution of 2022 Annual General Meeting of Shareholders No. 135/NQ-ĐHĐCĐ dated 15th March 2022 of An Giang Import-Export JSC), this property has not been signed by 3 parties between the Group and An Giang Import-Export JSC and the organization as the Collateral Receiver.

In addition, the Group has not fully recognized the interest expenses, overdue interest and penalties arising from late payment of overdue bond interest. The estimated amount of interest and late payment penalties is VND 191,188,003,028.

- As at the Notes No. VIII.6 - Going-concern assumption, presented on the (consolidated) Balance Sheet as at 30th June 2026, the Group's accumulated undistributed loss after tax with amount of (VND 539,744,741,587); the Group's current liabilities exceeded total current assets with total amount of (VND 357,573,670,932); the Group has loans, bonds and loan interest owing, overdue bonds with total value of VND 543,633,587,097 and negative owners' equity of (VND 317,890,639,355). On 18th May 2026, the Group received the Decision No. 35590/QĐ-HCM-KDT regarding the enforcement of an administrative decision on tax management by suspending the use of invoices from 18th May 2026 to 18th May 2027. In addition, on 29th June 2026, the Group received the Decision No. 5718/QĐ-THADS from the Department of Civil Enforcement - Ho Chi Minh City Civil Judgment Enforcement regarding the freezing of accounts and assets with an amount of VND 155,825,284 in account No. 0037100010898988 at Orient Commercial Joint Stock Bank – Tan Binh Branch. These items showed the existence of significant uncertainties which could cause substantial doubt on the Group's going-concern assumption.

From the above limitations, we have no sufficient basis to determine the influence of the above mentioned matter (if any) as well as its influence on the (consolidated) financial situation as at 30th June 2026, the (consolidated) income statement and the the (consolidated) cash flows statement for the six-month period then ended.

Disclaimer of Conclusion

Due to the significance of the matters described in the “Basis for Disclaimer of Conclusion” paragraph, we were unable to obtain sufficient appropriate evidence to form a conclusion on the accompanying interim (consolidated) financial statements. Accordingly, we do not express a conclusion on these interim (consolidated) financial statements.

7. Employees

As at the accounting period ended, there were 27 employees who are working at the Group (there were 26 employees at the beginning of year).

8. Statement on the information comparability in the interim (consolidated) financial statements

From 01st January 2026, the Group has adopted the Circular No. 99/2025/TT-BTC dated 27th October 2025 issued by the Ministry of Finance on guiding the Enterprise Accounting System. This Circular replaces the Circular No. 200/2014/TT-BTC dated 22nd December 2014 issued by the Ministry of Finance on guiding the enterprise accounting system and related circulars. The Group has restated the comparative figures (Notes No. IV.20); therefore, the figures presented in the interim (consolidated) financial statements for the six-month period ended 30th June 2026 are comparable with the corresponding figures of the previous period.

II. ACCOUNTING PERIOD, AND REPORTING CURRENCY

1. The fiscal year

The Group's fiscal year starts on 01st January and ends on 31st December of each calendar year.

These interim (consolidated) Financial Statements are prepared for the six-month period ended 30th June 2026, from 01st January to 30th June 2026.

2. Reporting currency

The standard currency unit used is Vietnam Dong (VND) because the Company uses the main accounting currency unit which is Vietnam Dong (VND) for receipts and payments.

III. ADOPTED ACCOUNTING REGIME AND STANDARDS

1. Applicable accounting regime

The Group has applied the Accounting Standards and the Vietnamese Corporate Accounting System in accordance with the Circular No. 99/2025/TT-BTC dated 27th October 2025, the Circular No. 202/2014/TT-BTC dated 22nd December 2014, the Circular No. 43/2026/TT-BTC dated 20th April 2026 on amending and supplementing a number of articles of Circular No. 202/2014/TT-BTC dated 22nd December 2014 as well as circulars guidance on implementing the accounting standards of the Ministry of Finance in the preparation of the interim (consolidated) Financial statements.

2. Statement on the compliance with the Vietnamese accounting regime and standards

The General Director ensures to follow all the requirements of the accounting standards and the Vietnamese Corporate accounting system promulgating together with the Circular No. 99/2025/TT-BTC

dated 27th October 2025, the Circular No. 202/2014/TT-BTC dated 22nd December 2014, the Circular No. 43/2026/TT-BTC dated 20th April 2026 on amending and supplementing a number of articles of Circular No. 202/2014/TT-BTC dated 22nd December 2014 as well as circulars guidance on implementing the accounting standards of the Ministry of Finance in the preparation of the interim (consolidated) Financial statements.

3. Registered accounting documentation system

General journal recording (on computer).

IV. APPLIED ACCOUNTING POLICIES

1. Basic for preparing the interim (consolidated) Financial statements

The interim (consolidated) financial statements include the financial statements of parent company and all subsidiaries. The financial statements of subsidiaries are prepared for the same fiscal year as well as applied the same accounting policies of parent company. Adjusted entries are applied for any different accounting policy in order to ensuring the consistency of parent company and all subsidiaries.

All inter-company balances and transactions, including recognised profits arising from inter-group transactions, have been eliminated in full. Unrealized losses are eliminated in interim (consolidated) financial statements, except where irrevocable expenses.

Minority interest showed the profit/ loss and net assets which are not held by the Company's shareholders and are presented by a separate item on the interim (consolidated) Income Statement and the interim (consolidated) Balance Sheet.

Subsidiaries are interim (consolidated) since the date of parent Company obtains control and cease to be interim (consolidated) since the date of parent Company do not obtain control that subsidiary. In case of parent Company has no longer the right of control the subsidiaries, the interim (consolidated) financial statements will include the period's business result which is still obtained control by parent Company.

The financial statements of subsidiaries subject to business combinations under common control are included in the Company's interim (consolidated) financial statements in accordance with the book value method of accounting. The financial statements of the other subsidiaries are interim (consolidated) into the Company's reports under the purchase method whereby assets and liabilities are recorded at fair value at the date of a business combination.

2. Cash and cash equivalents

- Cash includes cash on hand, call deposits and cash in transit, monetary gold.
- Cash equivalents is the short-term securities of which the due dates can not exceed 3 (three) months from the dates of the investments and the convertibility into cash is easy, and which do not have a lot of risks in the conversion into cash.

3. Financial investments

Held-to-maturity investments

The investments are classified as held-to-maturity if the company has both the ability and the intention to hold to maturity. Held-to-maturity investments include: term deposits (including treasury bills, promissory note) bonds, preferred stocks which the issuance party is obligated to repurchase at a specific time in the future and held-to-maturity loans for the purpose of collecting interest periodically and other held-to-maturity investments.

Held-to-maturity investments are initially recognized at the historical costs include purchase price and expenses related to investments transactions. After initial recognition, these investments are recognized at recoverable amount. Interest income on held-to-maturity investments after the date of acquisition are recognized in Income Statement on the basis of accrual. Interest enjoyed before the Company held is deducted against the historical cost as at the date of acquisition.

Loans

Loans are initially recognized at historical cost. Subsequent to initial recognition, loans receivable are stated at recoverable amount.

Interest income from loans is recognized in financial income on an accrual basis, based on the loan duration and the effective interest rate.

At the end of the accounting period, when objective evidence indicates that part or all of a loan may not be recoverable, the Company makes a provision for loan losses corresponding to the estimated impairment loss. The provision expense or reversal of provision is recognized in expenses / income from financial activities during the period, respectively.

Investments in other entities

Investments in other entities is initially recorded at their historical cost.

Provision for impairment of investments

Provision for impairment of investments are made when there is strong evidence of a decline in the value of these investments as at the accounting period ended.

Increase/Decrease in the balance of provisions for impairment of investments in subsidiaries, associates must be made as at the accounting period ended and are recognized in Expenses from financial activities.

4. Receivables

Doubtful receivables are presented by book value subtracting the provisions for doubtful receivables.

Receivables are classified as trade receivables and other receivables comply with the following principles:

- Trade receivables reflect the commercial elements arising from selling - purchasing transactions between the Group and the buyer is an independent entity, include receivables from export sales under entrusted others.
- Other receivables reflect the non-commercial elements, unrelated to selling - purchasing transactions.

Provisions for doubtful receivables: are prepared for each doubtful debt based on the overdue debts or the estimated losses which may arise.

Increase/Decrease in the balance of provisions for doubtful receivables must be made as at the accounting period ended and are recognized in the general & administration expenses.

5. Inventories

Inventories are recognized at the lower of their historical costs or their net realizable values.

Historical costs of inventories are determined as follows:

- Raw materials, goods: including the acquisition cost and other direct related expenses arising to obtain inventory in current status and place.
- Finished goods: including the cost of direct materials, direct labor and related factory overhead cost are allocated based on normal capacity.
- Work-in-process: including only the costs of main raw materials, direct labor and general production costs.

Net realizable values is the estimated selling price of inventory in normal operating cycle except for the estimated costs to complete and necessary to consume them.

The value of inventories are recognized at the weighted average method and recorded at the perpetual method.

Provision for devaluation of inventories is made for the expected value of loss due to declines in value (due to price reduction, poor quality, obsolescence, ...) which may arise for inventories owned by the Group based on reasonable evidence of decline in value as at the balance sheet date. Increase/Decrease in the balance of provision for devaluation of inventory must be made as at the end of the accounting period and are recognized in the cost of goods sold.

6. Prepaid expenses

Prepaid expenses include the actual arising costs but related to the operating results of numerous accounting periods. The Group's prepaid expenses include:

Tools

Expenses on tools being put into use are allocated into expenses in accordance with the straight line method for the maximum period of 36 months.

Repair costs of fixed assets

Repair costs of assets arising once have great value are allocated into expenses in accordance with the straight line method for the maximum period of 36 months.

Prepaid land rental

Prepaid land rental represents the rental already prepaid for the land being used by the Company. Land rental is allocated in accordance with the straight line method in line with the leasing period of 40 years.

7. Tangible fixed assets

Tangible fixed assets are determined by the historical costs less (-) accumulated depreciation. Historical costs of tangible fixed assets include all the expenses of the Group to have these fixed assets as of the dates they are ready to be put into use. Other expenses incurred subsequent to the initial recognition are included in historical costs of fixed assets only if they certainly bring more economic benefits in the future thanks to the use of these assets. Those which do not meet the above conditions will be recorded into expenses during the period.

When tangible fixed assets are disposed or liquidated, their historical costs and accumulated depreciation are written off, then any profit (or loss) generated from the liquidation is included in the income or the expenses during the period.

Tangible fixed assets are depreciated in line with straight-line method to gradually write off the historical costs of fixed assets over their estimated useful lives. The depreciation years of tangible fixed assets applied are as follows:

<u>Kinds of fixed assets</u>	<u>Years</u>
Buildings and structures	05 – 20
Machineries and equipments	03 – 12
Vehicles, transmissions	06 – 10
Equipments and tools management	03 – 10
Other tangible fixed assets	06

8. Intangible fixed assets

Intangible fixed assets are determined by the historical costs less (-) accumulated amortization.

Historical costs of intangible fixed assets include all the expenses of the Group to have these fixed assets as of the dates they are ready to be put into use. Other expenses incurred subsequent to the initial recognition are included in expenses during the period only if they attached to the specific intangible fixed asset and bring more economic benefits thanks to the use of these assets.

When intangible fixed assets are disposed or liquidated, their historical costs and accumulated amortization are written off, then any profit (or loss) generated from the liquidation is included in the income or the expenses during the period.

The Group's intangible fixed assets include:

Land-use right

Land-use right is all actual expenses related directly to the used land, included: the payment for getting land-use right, costs of compensation, site clearance, ground leveling, registration fee ... which the Group paid. Land-use right is amortized in line with straight-line method with estimated amortized years is 25 years.

Software programs

Costs related to computer software programs is not an integral part of the related hardware is capitalized. Historical costs of computer software include all the expenses of the Group to pay until the date the software is put into use. The Group's accounting software is amortized in line with straight-line method in 06 years.

9. Liabilities and accruals

Liabilities and accruals are recognized for payable amounts in the future related to the received goods and services. Accruals are recognized based on the reasonable estimates of the payable amounts.

Payables are classified as trade payables, accruals and other payables comply with the following principles:

- Trade payables reflect the commercial elements arising from purchasing transactions of goods, services, assets and the seller is an independent entity, include payables from import by a trustee.
- Accruals reflect the payables to the received goods and services from seller or provided to buyer but not yet paid due to do not have invoice or insufficient accounting records and vouchers and payable to employees on sabbatical salary, operating costs must be accrued.
- Other payables reflect the non-commercial elements, unrelated to selling - purchasing transactions, rendering of services.

10. Owners' equity

Owners' invested equity

Owners' invested equity is recognized according to the shareholders' actual capital.

11. Profit distribution

Profit after corporate income tax is distributed to shareholders after appropriating for funds in accordance with the Group's Charter as well as regulations and being approved by General Meeting of Shareholders.

Distribution of profits to shareholders is considered non-monetary items in undistributed earnings after tax which can affect the cash flows and ability to pay dividends such as profit from revaluation of the contributed assets, revaluation of monetary items, financial instruments and other non-monetary items.

Dividends are recorded as liabilities when being approved by General Meeting of Shareholders.

12. Recognition of revenues and income

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, excluding trade discount, rebate and sales return.

Revenues from sale of merchandises (tires), finished goods (telecommunication cables)

- Revenues from sale of goods are recognized when satisfying the following conditions:
 - Most of risk and benefits associated with the goods ownership are transferred to customers;

- There are no rights to manage or to control the goods;
- Revenues can be determined reliably;
- Getting or will get reliable economic benefits from providing service;
- Expenses related to providing and completing service can be determined.

Revenues from rendering of services (premises for rent)

Revenues from rendering of services transaction are recognized when the result of transaction is determined reliably. Where the service is rendered during numerous periods, revenue in period is recognized based on the results of work completely as at balance sheet date.

- The results of rendering of services transaction are determined when satisfying all the following conditions:
 - Revenue is determined rather reliably;
 - Be able to gain economic benefits from the transactions;
 - Determining work completely as at Balance Sheet date;
 - Determining expenses related to rendering of services.

Interest

Interest is recognized on an accrual basis, and determined on balance of savings accounts and the actual interest rates for each period.

13. Cost of goods sold

Cost of goods sold is total cost of goods, production cost of finished goods sold, other expenses are included in the cost of goods.

14. Expenses from financial activities

Expenses from financial activities are the costs related to financial activities include borrowing costs, foreign exchange rate losses when being paid in a foreign currency and due to the revaluation on period-end.

15. Selling expenses and General & administration expenses

Selling expenses and General & administration expenses are all costs related to the process of selling products, goods, rendering of services and general administration expenses of the Group.

16. Borrowing costs

Borrowing costs include interest and other costs incurred directly related to loans.

Borrowing costs will be capitalized when they are directly related to the construction or the production of an asset in progress, which has taken a substantial period of time (over 12 months) to get ready for intended use or sales of the asset. Otherwise, the borrowing costs will be recognized into expenses during the period. For private loans serve the construction of fixed assets, investment properties, interest is capitalized even if the construction period of less than 12 months. The income arising from the temporary investment of loans is recorded reducing the historical cost of the relevant assets.

In the event of general borrowings which are partly used for acquiring, constructing or producing an asset in progress, the costs eligible for capitalization will be determined according to the capitalization rates applied to average accumulated expenditure on that asset. The capitalization rates are computed at the average interest rates on the borrowings not yet paid during the period, except for particular borrowings serving the purpose of obtaining a specific asset.

17. Transactions in foreign currencies

The transactions in foreign currencies are converted at the actual exchange rates ruling as of the transaction dates. The balances of monetary items in foreign currencies are converted at the actual exchange rates ruling as of the balance sheet date.

Foreign exchange differences arising during year from transactions in foreign currencies are recognized in income from financial activities or expenses from financial activities. Exchange rate differences due to the revaluation of monetary items in foreign currencies as of the balance sheet date after offsetting differences of increasing and decreasing are recognized in income from financial activities or expenses from financial activities.

Exchange rate used to convert the foreign currency transactions is the actual exchange rate as at the time when transactions are incurred. The actual exchange rate of the foreign currency transactions is determined as follows:

- For receivables: buying exchange rate of the commercial bank where the Group indicated for the customer's payment at the time when transactions are incurred.
- For liabilities: selling exchange rate of the commercial bank where the Group is expected to deal at the time when transactions are incurred.
- For the purchase transactions of assets or expenses are paid immediately in foreign currencies (not via the payable accounts): buying exchange rate of the commercial bank where the Group implements the payment.

Exchange rate used to revalue balances of the monetary items in foreign currencies is determined comply with the following principles:

- For foreign currency account in banks and for the monetary items in foreign currencies: foreign currency buying exchange rate of bank.
- For the monetary items in foreign currencies is classified as liabilities: foreign currency selling exchange rate of bank.

18. Corporate income tax (CIT)

Corporate income tax expenses include current corporate income tax and deferred corporate income tax.

Current corporate income tax

Current corporate income tax expense is recognized based on taxable income. Taxable income is different from accounting profit due to the adjustments of differences between tax and accounting figures as well as those of non-taxable or non-deductible income and expenses.

Corporate income tax rate of 17%.

Deferred Corporate income tax

Deferred income tax is the amount of corporate income tax payable or refundable due to temporary differences between book values of assets and liabilities serving the preparation of the financial statements and the values for tax purposes. Deferred income tax liabilities are recognized for all the temporary taxable differences. Deferred income tax assets are recorded only when there is an assurance on the availability of taxable income in the future against which the temporarily deductible differences can be used.

Book values of deferred corporate income tax assets are considered at the balance sheet dates and will be reduced to the rates that ensure enough taxable income against which the benefits from a part of or all of the deferred income tax can be used. Deferred corporate income tax assets are not yet recorded in before that will be reconsidered as at the accounting period ended and recorded when being reliably taxable profit to be able to use deferred income tax assets.

Deferred income tax assets and deferred income tax liabilities are determined at the estimated rates to be applied in the year when the assets are recovered or the liabilities are settled based on the effective tax rates as of the balance sheet date. Deferred income tax is recognized in the income statement. In the

case that deferred income tax is related to the items of the owner's equity, corporate income tax will be included in the owner's equity of the Group.

Deferred income tax assets and deferred income tax liabilities should be offset when:

- The Group has a legal right to implement the offset of current income tax assets and current income tax payable; and
- Those deferred income tax assets and deferred income tax payable related to corporate income tax is administered by the same tax authority:
 - For the same taxable entity; or
 - The Group intends to pay current income tax payable and current income tax assets on the basis of net or recover assets at the same time with the payment of liabilities in each future period when the significant deferred income tax payable or deferred income tax assets to be paid or recovered.

19. Related parties

A party is considered a related party of the Group in case that party is able to control the Group or to cause material effects on the financial decisions as well as the operations of the Group. A party also is considered a related party of the Group in case that party is under common control or significant influence.

In considering each possible related party relationship, attention is directed to the substance of the relationship, and not merely the legal form.

20. Comparative figures

Certain balances on the interim (consolidated) Statement of Financial Position have been restated to conform to current regulations (the Circular No. 99/2025/TT-BTC dated 27th October 2025 issued by the Ministry of Finance on guiding the Enterprise Accounting System; the previous year was in accordance with the Circular No. 200/2014/TT-BTC dated 22nd December 2014 issued by the Ministry of Finance). Details are as follows:

Code	Items	Ending balance of previous year under Circular 200/2014/TT-BTC / Before adjustments	Beginning balance of current year has been restated under Circular 99/2025/TT-BTC) / After adjustments	Differences

Sale of finished goods	2,420,327,194	2,415,522,232	4,804,962
Premises for lease and others	3,964,385,047	2,989,204,728	975,180,319
Gross profit	8,504,013,706	6,346,431,797	2,157,581,909

• **Previous period**

Items	Net revenues from sale of goods & rendering of services	Cost of goods sold	Total
Sale of merchandises	4,958,269,861	5,263,066,992	(304,797,131)
Sale of finished goods	2,600,555,263	2,558,495,567	42,059,696
Premises for lease and others	3,003,638,742	3,730,686,930	(727,048,188)
Gross profit	10,562,463,866	11,552,249,489	(989,785,623)

Geography

During the period, whole activities of the Group take place only in the territory of Vietnam.

5. Collateral

Collateral for other entities

The Group has used intangible fixed assets as collaterals for loans (refer to the Notes No. V.18). Total collateral value as at 30th June 2026 is VND 797,602,575 (refer to the Notes No. V.10).

Third party's property guarantees the Group's bond issuance

BIDICO Quartz Stone Co., Ltd. and An Giang Import - Export JSC guarantee the Group's bond issuance (refer to the Notes No. V.18).

Mortgage assets of other entities

The Group did not hold the collateral of the other sides as at 30th June 2026.

6. Going-concern assumption

As at 30th June 2026, the Group's accumulated undistributed loss after tax with amount of (VND 535,262,157,341), the Group's current liabilities exceeded total current assets with total amount of (VND 370,518,117,740); The Group has loans, bonds and loan interest owing, overdue bonds with total value of VND 543,590,414,295 and negative owners' equity of (VND 314,131,974,495). On 18th May 2026, the Group received the Decision No. 35590/QĐ-HCM-KDT regarding the enforcement of an administrative decision on tax management by suspending the use of invoices from 18th May 2026 to 18th May 2027. In addition, on 29th June 2026, the Group received the Decision No. 5718/QĐ-THADS from the Department of Civil Enforcement - Ho Chi Minh City Civil Judgment Enforcement regarding the freezing of accounts and assets with an amount of VND 155,825,284 in account No. 0037100010898988 at Orient Commercial Joint Stock Bank – Tan Binh Branch. These items showed the existence of significant uncertainties which could cause substantial doubt on the Group's going-concern assumption.

However, the Group is currently maintaining and stabilizing production based on its existing capacity, while accepting toll manufacturing orders to increase revenue, enhance productivity, and achieve profitability. This aims to ensure going concern status and serve as a key solution to balance cash flows for the Group's core operating activities. Consequently, the Group's interim (consolidated) financial statements for the 6-month accounting period ended June 30, 2026 have been prepared on a going-concern assumption.

7. Subsequent events

- On 30th June 2026, the Group and Thien Hoang Holdings JSC (hereinafter referred to as "Thien Hoang Holdings") signed the Receivables Transfer and Debt Collection Right Contract No. 74/2026/HĐCN/VKC-TH. Accordingly, the Group will transfer the principal balance (as at 31st December 2025) of its receivables and debt collection rights to Thien Hoang Holdings. The total transfer value equals the carrying amount of the transferred receivables as at 31st December 2025, amounting to VND 201,048,675,966. As at 30th June 2026, the Group and Thien Hoang Holdings have not officially completed the handover procedures for these receivables and debt collection rights.

Details of the transferred receivables and debt collection rights are as follows:

	Historical cost as at 31 st December 2025	Notes
